

We care about giving back
Bailey Medical Center

Bailey Medical Center is proud to be a part of the thriving city of Owasso. We are committed to being your hospital of choice, as well as your business partner and neighbor. Our patients feel confident in choosing Bailey Medical Center because we offer specialized services conveniently located in our community. Every day, we change the lives of individuals through the quality care we provide.

Our hospital is beautiful, comfortable and patient-centered, offering primary and specialty care services including 24-hour emergency and urgent care, inpatient and outpatient surgery, obstetrics, gynecology, intensive care, cardiology through Oklahoma Heart Institute, orthopedics, medical weight loss programs and surgery, sleep medicine, as well as imaging, laboratory, rehabilitation services and educational programs.

We pride ourselves on encouraging preventive health at all stages of life through the multitude of community education seminars, screenings and events we offer.

Bailey Medical Center provides leading-edge medical technology with some of the most advanced diagnostic equipment in the region, and an entire team of healthcare professionals dedicated to improving your health.

Thank you for choosing Bailey. Your hospital, right here at home.
